The class consisted of six native technicians which had background training comparable to high school or junior college graduates.

The government research farm has the only complete chemical laboratory in the country where tests can be carried out on agricultural products, feeds, fertilizer and soil. The analytical equipment is adequate, but technicology is in short supply.

The administrative staff of the research farm consists of young natives educated in the United States.

This trip was sponsored by Amigos Internacionales, A Christian layman's organization.

After completing the teaching duties, Dr. Whiteside was joined by Jim Wren, president of Amigos Internacionales, and they ferried a mobile clinic from the capitol city of Belmopan to Punta Gorda, a town in the South where the clinic will be used by medical and dental teams from the United States.

HOLY BIBLE
"Think on These Things" Phil 4:8
Robert L. Love Evangelist
The Lord has given the law of pardon in the Word, and everyone who has learned and obeyed the law knows that he is saved. Pardon in not something that one FEELS, although one feels good when he is made to believe that he is pardoned; the good feelings come as a necessary result of the knowledge of pardon—the statements of God as found in the Bible. Consequently, for anyone to ask for more evidence of salvation than the Word of God supplies would reveal a lack of faith in the Lord. Only through the Word of God does the sinner receive assurance of salvation. The process of conversion, to which one obtains the remission of sins, is sometimes referred to as "obeying the gospel" (Rom. 10:16). People are lost because they are in sin, and they must obey the gospel to be saved from sin. Yet so many people do not have a Bible knowledge of Christ's terms of pardon; they know nothing of when and how one becomes a Christian and a member of the Lord's church. However, God's Word makes the plan of salvation very plain. (Use your Bible and study carefully the following scriptures:)
WHAT MUST ONE DO TO BE SAVED?
A. One must HEAR and BELIEVE the gospel. (Acts 3:22,23; 28:28; Romans 10:17). That is, one must have faith in Christ as God's Son (Mk. 16:15-16; Acts 16:31).
B. One must REPENT of all sins. (Luke 13:3,5; Acts 2:38; 17:30).
C. One must CONFESS Christ as Lord (Romans 10:9, 10; Acts 8:37; 1 Tim. 6:12).
D. One must be BAPTIZED (Mark 16:16; Matthew 28:18-20). All these are for, or in order to, the remission of sins.
Again, it is only through the Word of God that one has the assurance of salvation. Visions and dreams, therefore, are not assurances of pardon.
